PART III: PUBLICATIONS

(NOTE: This list comprises all formal publications arising from the California Cooperative Oceanic Fisheries Investigations to 31 December 1954. Processed reports which are not available for general distribution have been omitted, but those which appear in regular series and are generally available are included. In several instances, scientists from two or more of the cooperating agencies have written papers jointly. To avoid duplication, these papers appear in this list under the senior author's agency.)

MARINE RESEARCH COMMITTEE

CALIFORNIA ACADEMY OF SCIENCES

CALIFORNIA DEPARTMENT OF FISH AND GAME

California Division of Fish and Game

1948. Landings of sardines along the Pacific coast. Calif. Fish and Game, vol. 34, no. 2, pp. 82-83.
